Singapore-Germany Business Seminar on Environmental Investment Opportunities and Technology Collaboration

Date: **Wed, 16 June 2010** Time: **8.30am – 1.30pm**

Venue: **SBF Seminar Room 2** *(21st level, Keppel Towers)*

* Fee per pax *(incl GST)*: **S$42 (SBF Member, Joint Organizers & Partners) S$63 (Non Member)**

The Singapore Business Federation (SBF) and DTC Conference are pleased to invite you to attend the Singapore-Germany Business Seminar on Energy, Environment and Water.

Germany enjoys an outstanding reputation throughout the world for its high-quality technical products and its practical expertise, particularly in the field of clean energy and energy efficiency. Germany is also accelerating its efforts to become the world's first industrial power to use 100 percent renewable energy. There is therefore much to gain from business and technology tie-ups between Singapore and Germany.

Besides bringing together senior business and industry executives of leading German and Singaporean companies to share their expertise in the area of energy, environment and water solutions, the Seminar will also mark the signing of MOUs between SBF with Singapore Water Association (SWA), Ngee Ann Polytechnic (NP) and Environmental Management Association of Singapore (EMAS). IE Singapore will present its most recent findings on positioning Singapore companies for the new green economy while JTC will provide an update on business opportunities in Cleantech Park.

Target Audience It is targeted at businesses, government organizations, NGOs, academia that are interested in developing or have already developed expertise in the green sector such as solar energy, environmental management, waste-to-energy as well as sustainable water solutions.
