Dear Tony,

I would like to thank you for having spared your valuable time to chair the seminar on "Business Opportunities in Malaysia" which was held at the Suntec Singapore International Convention and Exhibition Center on 12 August 2008. I would also like to express my appreciation for the valuable support extended by the Singapore Business Federation (SBF) in co-organising the seminar.

I am very pleased and encouraged by the participation and interest shown by the Singaporean business community at the seminar. Indeed the success of the seminar was attributed to your able chairmanship and support.

It is my hope that the contacts established between the Malaysian private sector members and the Singaporean businessmen during the seminar would lead to successful business collaborations and further strengthening of bilateral trade and investment ties between Malaysia and Singapore.

Once again, thank you very much and I look forward to your continued support.

Thank you

Yours sincerely,

Muhyiddin Yassin
