Subject: note of thanks

Dear Alan and Lai Yong,

Please allow me, on behalf of ISEAS, to express appreciation to the SBF for having done an excellent job in hosting the Lam Dong seminar. The Lam Dong people up until they left Singapore in the morning of Saturday 1 August expressed their immense satisfaction at a very good seminar and the exposure the province as well as its business enterprises received while in Singapore.

I hope this will bring about more interaction and collaboration between the businesses of Singapore and Lam Dong province.

I also want to express my personal thanks to you, and of course to Lai Yong, for your professionalism and very helpful ways.

If you agree, I look forward to doing this New Growth Areas of Vietnam series of seminars with more provinces of Vietnam, and hopefully ISEAS would be able to collaborate with the SBF again, in ways that we have done in the past 6 months on the seminars for the provinces of Phu Yen and Lam Dong.

With best regards,
