Dear Mr Chew,

LETTER OF APPRECIATION FOR PARTICIPATING IN THE MISSION TO MAURITIUS

Thank you for your letter dated 1 August 2011 and the beautifully-framed photograph of the delegation with HE President S R Nathan. It is indeed a nice gesture, one that is much appreciated.

The Singapore Indian Chamber of Commerce & Industry (SICCI) was pleased to partner the Singapore Business Federation (SBF) in the organisation of the business mission to Mauritius. The SICCI members who were part of the delegation found the mission relevant and beneficial. They also commented on the highly professional manner in which the SBF staff, Mr Cody Lee and Ms Sarah Wong, managed the programme and arrangements for the mission.

Once again, thank you and we look forward to working with SBF again in the near future.

With warmest regards

Yours sincerely,

Harnaikh Singh
