

Career Conversion Programme (CCP) Sustainability Professionals

Helping local companies to embark on Sustainability CCP for Sustainability Professionals

CCP-S will help to equip individuals with fundamental sustainability knowledge (e.g. Environmental, Social & Governance –ESG) and relevant skill sets (e.g. Carbon Accounting, Corporate Sustainability Strategy, etc) to take on new/ redesigned sustainability related role.

To help trainees with the transition, they will be guided by industry mentors.

CCP-S will offer the following modalities:

- **Place-and-Train/ New hires** (6months)
- **Job Redesign / Reskilling** for existing employees who required to be reskilled to take on redesigned or new sustainability related role (3months)

Supporting
Partners :

Building and Construction Authority

Civil Aviation Authority of Singapore

Smart Energy, Sustainable Future

Eligibility Criteria

Trainee Eligibility :

- Singapore Citizen or PR
- Have graduated or completed NS for at least 2 years (minimum 2 years of working experience)
- Be newly hired or existing employees nominated by an eligible participating company for the CCP
- Not be in similar job role to prior to joining the CCP
- Not shareholder or related person to shareholder of participating company and related entities. Not immediate ex-staff to participating company or related entities

Company Eligibility for New Hires :

- Registered or incorporated in Singapore
- Must offer the new hire a PMET job and issue a valid permanent employment contract. Full-time contract employment must be at least 12 months
- To have inter or intra sectoral conversions
- Must be able to provide structural On-the-Job Training (OJT)

Company Eligibility for Existing Employees:

- Enterprise must have plans to kick start sustainability efforts which require affected workers to be reskilled/ retrained; and
- Transformation must affect at least 50% of current job scope*; and
- Affected employee must be with at least 1 year working experience with company; and
- Company undergoing efforts covering Human Capital and Sustainability Development, and fulfils existing CCP company eligibility criteria

*Job level and salary **should not be lower than previous** and where relevant, Company **should provide an increment (where possible) that commensurate the new role / responsibility if it is of higher job value.**

CCP for Sustainability Professionals

(New hire) PMETS
SC/PR ≥ 2 years of
working experience

New Hires (6 months)

*To select
from pre-
approved list

1 X Sustainability
Programme

Half-day Networking Session &
*Optional Mentorship

Structured
On-the-Job Training (OJT)

Existing Employees (3 months)

(Existing Employee)
PMETS
SC/PR ≥ 1 year of
service with
company

**Job Ready
PMETS**

Examples of Job Functions

- Carbon Management
- Regulatory Compliance and Emissions Reporting/ Verification
- Sustainability / Carbon Project Development & Implementation
- Stakeholder Management

Salary for Sustainability Professionals: \$2,500 (minimum)

Programme Funding Structure

Salary Support

New Hires / Existing Employees

SC/ PR < 40 years old : subsidise 70% monthly salary, grant capped at \$4,000 / \$5,000(From 1 Apr 24 onwards) per month per trainee over 6 months / 3 months

SC/ PR ≥ 40 years old or LTU : subsidise 90% monthly salary, grant capped at \$6,000 / \$7,500(From 1 Apr 24 onwards) per month per trainee over 6months / 3 months

- Adjusted salary funding support for new hires who start employment between Sep 2020 and Mar 2023 (inclusive) due to JGI
- LTU: Long-Term Unemployed where LTU refers to new hires who have been actively looking for job for at least 6 months
- For existing Employees: Job Level and Salary should not be lower than previous and where relevant, company should provide an increment (where possible) that commensurate the new role/ responsibility if it is of a higher job value

Application process

New Hire

1. Latest ACRA (within 6months)
2. Candidate CV (New Hire)
3. Official Job Description on Position (New Hire)
JD should reflect strong business case and strategy towards Sustainability, whether it is in the solutions for clients or operations.
4. Application Form & Short Description of Conversion
 - Company plans and endorsement
 - Difference of role/scope from previous experience (past 3 years)
5. On-the-Job (OJT) Plan (6 Months duration)
 - Training and skills
6. Signed employment Contract of Candidate
7. Candidate NRIC (Colour Copies for front and back)
8. Declaration Form

Job Redesign Reskilling

1. Latest ACRA (within 6months)
2. Job Redesign/ Reskill (Existing Staff)
 - Details on Company Sustainability Project
 - Reason of Reskilling
3. On-the-Job (OJT) Plan (3 Months duration)
 - Training and skills
4. Signed employment Contract of Candidate
OR
Official Letter / Email to state the Job Redesign Reskilling
 - State date of JRR
 - Increment amount (if any)
5. Candidate NRIC (Colour Copies for front and back)
6. Declaration Form
