Education is a fundamental right that should be accessible to everyone. At Garranto Academy, a Singapore-based EdTech that empowers professionals through up-skilling and re-skilling, we believe that everyone should have the opportunity to up-skill and re-skill with the support of the government.

A Singapore Accredited Training Partner of The Institute of Banking and Finance (IBF), our mission is to bridge the skills gap and help learners gain the skills and credentials that are highly valued by employers, while assisting employers in identifying and building the talent they require for their businesses.

At Garranto Academy, we are dedicated to nurturing, coaching, and cultivating skills to help individuals achieve their goals. We provide world-class subject matter experts for courses, training, and a complete learning experience.

Company Name: ASSOCIATION OF ELECTRONIC INDUSTRIES IN SINGAPORE (A.E.I.S.)

Corporate Website: www.aeis.org.sg

Business Email: trades@aeis.org.sg

The Association of Electronic Industries in Singapore (AEIS) was first established on 7th November 1973. It is a non-profit organization representing all facets of industrial and commercial electronics. AEIS has been connecting electronics companies in Singapore by creating a platform for members to communicate and go beyond borders and boundaries. This is achieved through networking and digital marketing with local government agencies and overseas electronic associations.
