

STRONG TURNOUT AT NETWORKING & BUSINESS MATCHING EVENTS HIGHLIGHT VALUE OF MEMBERSHIP

May 2026

Growing Through Networking

In April 2026, we held our first Members' Orientation of the year, which saw a **strong turnout from industry professionals**, with particularly **high participation** from Associate Members. This was followed by our **networking session** in the subsequent month, providing valuable opportunities for **meaningful networking & business matching** across various sectors.

The strong Associate Member attendance highlights the **growing value of membership** in fostering **quality connections, industry engagement, and business opportunities**. Participants actively exchanged **market insights**, explored **potential partnerships**, and connected directly with key decision-makers within the community.

WHY SBF MEMBERSHIP MATTERS

Our membership offers more than event access — it provides a gateway to:

Exclusive networking & business matching opportunities

Increased visibility within the industry community

Access to strategic partnerships & collaborations

Timely industry updates & market insights

Opportunities to expand business reach & strengthen professional networks

EVENT HIGHLIGHTS

- ✓ Over 165 attendees engaged in the session
- ✓ Nearly 55% Associate Members participated
- ✓ Structured 1:1 Business Matching
- ✓ Strong networking and cross-sector engagement
