

DISCOVER NEW BUSINESS
POSSIBILITIES
WITH SBF

The SBF Story

Established on 1 April 2002, SBF is the apex business chamber championing the interests of the Singapore business community in the areas of trade, investment and industrial relations both locally and overseas. With more than 27,000 member companies, our membership also comprises key local and foreign trade associations and business chambers.

Our Vision

Globally Competitive Sustainable Economy
Future-Ready Businesses
Impactful Trade Associations And Chambers

Our Mission

To advance the interests of the Singapore business community by **Shaping Solutions, Building Partnerships and Fostering Capabilities** for businesses and trade associations and chambers (TACs)

Our 3 Strategic Pillars

Internationalisation

Helping companies seize opportunities in global markets.

Digitalisation & Transformation

Helping companies leverage technology for business transformation and to boost their competitiveness.

Jobs & Skills

Helping companies in talent development, upskilling their workforce and managing their manpower challenges.

Our Key Benefits

Expand Your Network and Partnership Opportunities

SBF provides a conducive platform for businesses to connect, engage and deepen relationships for business collaborations.

- Access our vast network of local and international industry players, associations, unions and government agencies
- Participate in our business groups and exclusive members-only events
- Partner us in co-organising events for members

Access Global Markets and Tap Overseas Connections

SBF's global network helps connect businesses to capture opportunities for expansion and growth.

- Access regional and international markets through business missions and workshops
- Enhance country and market knowledge through our market-specific business groups for overseas ventures
- Connect with potential overseas partners for business collaborations
- Gain a competitive edge by tapping on Singapore's extensive network of Free Trade Agreements

Build New Capabilities and Enhance Existing Competencies

SBF offers a variety of events and programmes to help companies broaden and deepen the knowledge and skills of their employees for growth and sustainability.

- Gain insights into business outlooks and latest economic development trends through our free-for-members seminars
- Participate in our business transformation, human capital and digitalisation initiatives
- Tap on our assistance programmes to build competencies for long-term growth

Engage Actively and Advocate Collectively

SBF represents the collective voice of the business community in constructive engagement with the government and relevant organisations.

- Empower your business through active participation in focus group discussions and networking sessions
- Share your views and highlight your concerns through participation in our surveys and dialogues
- Raise your corporate profile through marketing and sponsorship opportunities at our events

Other Benefits

- Access the latest business advisories, industry reports and market updates
- Enjoy member rates for training programmes, workshops and conferences
