

Annex A – List and profiles of Singapore’s winners at AWEN Awards 2022

No	Name	Designation	Company	Profile
1	Jamie Tan	Director	Flying Cape Pte Ltd	Flying Cape is an online booking and advisory platform for tuition and enrichment classes in Singapore. Working with academics from all over the world, the company offers tried and tested advisory tools that can help customers find the right classes based on their unique needs. Its Best Price Guarantee promise also ensures that customers will always get the best prices on their platform.
2	Jessie Chen Zijuan	Managing Director	Advance Chemical; Rexadvance Technology	<p><u>Advance Chemical</u> With more than 10 years’ experience in the field of electroplating, it possesses in-depth technical understanding and knowledge of high-grade metal finishing which aids them to produce uniformity and consistency in their products.</p> <p><u>Rexadvance Technology</u> Established in 2011, Rexadvance Technology specialises in the craft of precision engineering, specifically in high-precision fabrication, customised design and manufacturing of automation equipment and machine parts. The company focuses on providing solutions for customers who have very specific and unique requirements in the precision engineering sector. Because precision is the key, customisation is its expertise – to manufacture products that are well-fitted and targeted according to specifications.</p>
3	Ninalyn Arciaga Sulit-Cacananta	Founder and CEO	HFSE Global Education Group	HFSE International School was established after an incident of adversity. In 2014, expats Ninalyn and Gary Cacananta were unable to secure a slot for their son Gabriel in a local school in Singapore. This endangered the family’s aspiration to remain together despite the difficulties that accompany living abroad. In 2015, Ninalyn came up with the idea to have a support centre advocating for homeschooling. The setting up of HFSE Global Education Group was born out of the desire to keep expat families

				together by providing standard educational needs.
4	Samsiah Suliman	CEO	Jumain Sataysfaction Pte Ltd	Jumain Sataysfaction strives to continue the tradition of producing delicious and authentic satay. From the humble beginning in 1910, the company has grown to be Singapore's leading satay manufacturer, famously known for its Traditional and Tender Chicken, Mutton and Beef Satay. Pioneering innovations in Satay and Satay Sauce and manufacturing under the HACCP standard, Jumain continuously seeks to reach new culinary heights by introducing exciting and innovative satay products such as Satay Goreng (instant pan-fried satay), Duck Meat Satay, Hot & Spicy Satay, Mushroom Satay and Microwaveable Satay.
5	Sharon Wong	Founder and CEO	MothersWork Pte Ltd	<p>MothersWork is a leading premium retailer of mother, baby and kids' products in Singapore and China. motherswork is not just a retail store but a Curator of information and resource and a provider of convenience and service to mothers who want the very best for their kids.</p> <p>MothersWork was founded by Sharon Wong, on the principle that we live in a mom eccentric world. Established in Singapore in 1998, MothersWork was created to partner mothers as they journey through parenthood; from the precious moments of discovering their pregnancies and holding their babies for the first time to seeing their children off to school, and all the little adventures in between.</p> <p>MothersWork has researched and put together under one roof, not just everything but the best of everything for parents who want the very best for their children at different stages of parenthood.</p>
